

15th N Scale Convention 7th – 10th September 2017

Convention Newsletter #2
September 2016

Just 12 months away now.

The 15th N Scale Convention is to be held at the St Francis Winery Conference Centre, Reynella, which is the same venue as the last N Scale Convention held in South Australia.

If you intend to book accommodation on site you will need to reference the N Scale Convention as the motel has been booked exclusively for the delegates during the Convention.

One of the major factors in running a convention is the costs associated in putting on an event of this size and duration. There is the cost of hiring a suitable venue, the cost of hiring buses for the layout tours, the cost of food, and so on it goes.

Over the years the conventions have been getting more and more expensive, especially if you have to travel interstate. We are trying to minimise the costs, but some just cannot be left out.

We looked at using a school campus for a venue, but unless we run in the school holidays – which most people don't want – then we would be restricted to just two days. This would then mean we would have to delete the layout tours.

Then there would be a cost of hiring a venue for the Convention Dinner, and meal costs would be more expensive – we got a good deal from St Francis.

Accommodation at St Francis

Boasting 3.5-star Accommodation facilities, St Francis features 41 air-conditioned suites, 23 of those suites with in-room Spa Baths.

In the coming newsletters we will be seeking ideas for the clinics you would like; if you would be prepared to run a clinic/workshop – and on what subject.

We have been talking to manufacturers and suppliers regarding sponsorship and have had some encouraging responses from them.
