T-TRAK meet

We have set aside an area for T-TRAK modules to be displayed and joined to form a layout at the Convention, so if you want to bring along a module you are quite welcome to do so.

It can be a single, double, triple, or even a corner.

There is also a category for T-TRAK in the Modelling Competition.

All T-TRAK modules must comply with the T-TRAK guide lines – available at <http://t-trak.nscale.org.au/>

If you are bringing a module to join in, then please let us know beforehand so we know how much space to allocate for the completed layout.

Modelling Competition Forms are now available for downloading from the web site

15th National N Scale Convention Organising Committee – Adelaide

We Want YOU to run a clinic . . .

We have some presenters already, but are still looking for people willing to run a clinic/workshop.

- Do you have a specialty or skill that you would like to share by taking a clinic ?
- Have you referenced a prototype railroad that you plan to model ?
- Do you know something special about something unique to N Scale ?
- Can you tell us about how you built your layout ?
- Are you a Railroad employee and could tell us about your job ?

If you would like to run a clinic please contact the Convention committee at
convention2017@nscale.org.au.
