

# N Scale Modellers Australia Bulletin

FREE VIA INTERNET DOWNLOAD/DELIVERY

No. 23

February 2016

Welcome to this issue of the NSMA Bulletin.

Initial information on the venue and anticipated time-line for the initial information send-out for the next National N Scale Convention is noted in this bulletin.

The N Scale Modeller eMag contains a couple of interesting articles; one, as foreshadowed in the previous issue, is the T-TRAK modules of the Grain Silos and associated Shed at Tammin WA, the other, a method of using Kato Expansion Track at module interfaces.

## 15th National N Scale Convention

<http://convention2017.nscale.org.au>

The 15<sup>th</sup> National N scale Convention is to be held in Adelaide from 7<sup>th</sup> to 10<sup>th</sup> September 2017.

The venue is the St Francis Winery Conference Centre, which is about 25km south of Adelaide city and about 20km from the Adelaide airport.

The Convention website is still under construction.

Mail-out to attendees of recent Conventions to advise them of initial information, registration costs, etc will occur soon.

Newsletter releases will start shortly afterwards.

If you would like to stay at the Winery, please mention you are part of the Convention as the venue has been booked solely for Convention use.

The Convention is presented by N Scale Conventions Australia which is affiliated with the Australasian Region of the NMRA - [www.nmra.org.au](http://www.nmra.org.au)
